Sample Email Text

The screenshot shows a Microsoft Internet Explorer browser window titled "Control Center - Microsoft Internet Explorer". The address bar displays the URL: "C:\WINDOWS\Temporary Internet Files\Content.MSO\WordWebPagePreview\View Sample Emails.htm". The page content includes the NIH logo and the text "National Institutes of Health INTERNET ASSISTED REVIEW". A navigation menu contains links for "Home", "Administration", "Institution Profile", "Personal Profile", "Status", "IAR", "Links", and "Help". The main content area is titled "Sample Email Text" and contains the following text:

[Back to Control Center](#)

New Account Invitation
Subject: This is a sample Subject Line

Dear Reviewer:

This is a system-generated invitation to the NIH eRA Commons Internet Assisted Review (IAR) website in connection with your participation on Special Emphasis Panel/Scientific Review Group MEETING IDENTIFIERS meeting, scheduled for 01/01/2004-01/02/2004.

To submit your preliminary written reviews electronically, you will need to log on to the NIH eRA Commons Internet Assisted Review (IAR) website with a user name and password. To establish that user name and password, we have set up a special URL (address on the Internet) that is unique to you.

Please visit this web site to create your account as soon as possible or no later than 2 weeks before your reviews are due. Open your Web browser and go to the URL <https://commons.test.era.nih.gov/commons/i.do?code=cxxx9> (You can copy and paste this address into the "Location" window of your browser, and press Enter. If the url doesn't work, make sure it is complete and hasn't been broken over multiple lines. If the url spans more than one line make sure you are entering all of it in the location window of your browser and that there are no spaces in the address.) Follow the instructions on the screen to enter information about yourself and select your user name and password. Our policy states that passwords must be at least 8 characters in length and contain letters, numbers and special characters. You will also be asked to verify the public information that NIH has on file to ensure your information is both accurate and complete.

After submitting your registration request, you should receive an email within 2 - 5 business days indicating that your account is active. This email will contain the url for the NIH eRA Commons web site. Please note, you cannot use IAR until your account is active.

If you have questions or problems setting up your account, please call or email the NIH eRA Helpdesk at 301-402-7469 or 866-504-9552 or email commons@od.nih.gov.

Thank you for your time and effort.

Sincerely,

SRA Name, Address, Email

Existing Account Invitation
Subject: This is a Sample Subject line

The browser status bar at the bottom shows "Done" and "Internet".

IAR: User Interface Changes

List of Applications for one reviewer when clicking on reviewer name in Control Center.

The screenshot shows the 'List of Applications for Craig Peebles' page. At the top, there is a navigation menu with 'IAR' selected. Below the menu, meeting details are displayed: Meeting Title: AIDS Opportunistic Infections and Cancer (Teleconference), Meeting Identifier: 2004/05 ZRGT AARR-B (U3) (M), Meeting Phase: READ, Meeting Dates: 04/16/2004-04/16/2004, and Critiques Due: 04/14/2004 05:00 PM. A navigation bar below the meeting details contains links: 'List of Meetings', 'Control Center', 'List of Applications: By Application By Reviewer', 'Simple List of Applications', 'Preliminary Score Matrix', and 'Meeting Materials'. The main content area features a table of applications with columns for Application Number, PI Name, Title, Reviewer, Role, Prelim. Score, Submitted Date, and Action. The table lists two applications: one by HUAN, HUANG and another by KIM, KAMI. The first application has three reviews with scores 2.0, 3.0, and 4.0, and an average score of 3.5, marked as 'Lower Half / Significant Differences in Scoring'. The second application has three reviews with scores 3.0, 3.0, and 3.0, and an average score of 3.0, marked as 'Lower Half'. At the bottom of the page, there is contact information for SRA/GTA and a footer with logos and copyright information.
